Return Policy

Unopened software may be returned for a full refund within 30 days of purchase.

No refund or credit will be issued once you have opened the CheckStation CD. You assume the responsibility for the selection of CheckStation to achieve your intended results, and for the installation, use and results obtained from the program.

Natural Resource Systems warrants the CD on which our software is furnished to be free from defects in materials and workmanship under normal use for a period of 90 days from the date of sale as shown by a copy of your invoice. Our sole responsibility is to replace the program CD in the case of defects, as long as we are notified of defects within 90 days of the date of sale as shown on the invoice.

If you have problems installing or using our software, please e-mail us at checkstation@nrsllc.com and we will contact you. We strongly suggest you read the user's manual before using the program. The manual provides a lot of useful information that will help you start working with CheckStation with a minimum of problems or questions.
